Community has already been returned in the general election, so far, it is a point for orders, whether there is necessity to recognise the Association at all, for purposes of electing another member or members. The question depends upon the pleasure of Govt to give the community more seats than one. Their population is 3,99,550 – a large number, and the community is also an important one.

Owing to the importance of the Community & to the paucity of its representatives in R.A, the Association may perhaps be allowed the privilege of electing a member to R.A.

It is decided to ~~accord~~ permit the Sangha to depute 2 members in addition to the seat secured by a member of the Community in the general election.

The Association is said to have a branch at Ulsoor, Bangalore. In case of Associations which have branches, Govt may group them for the purpose of election. As the branch situate in Bangalore & as it will be inconvenient to group & arrange for a joint election within the short time at disposal,

From

Nilagiri S. Giriappa, Esqr.,
President, Kurubara Sangha,
BANGALORE CITY.

TO

THE SECRETARY TO GOVERNMENT,
LOCAL AND LEGISLATIVE DEPARTMENT,
MYSORE GOVERNMENT, BANGALORE.

Sir,

I have the honour to forward herewith the following resolutions passed by the Executive Council of the Kurubara Sangha and to request that you will be kind enough to continue the privileges that have been kindly granted to this Association, viz., -

(1) To depute a member to the Representative Assembly from this Sangha,

(2) To further grant a seat for this Association in the Agricultural and Industrial & Commerce Board of the Economic Development Board,

(3) And also to reserve 20 seats in the Representative Assembly and one seat at the Legislative Council for the Kurubar community.

* * *

RESOLUTIONS.

1. Resolved that the Government of His Highness the Maharaja be requested to continue to this Sangha the privilege of returning

a member to the Representative Assembly, as the Kurubar Community in the State is very backward and as it also represents the agricultural and industrial interests, i.e. the Blanket weaving and sheep farming.

2. Resolved that the Government of His Highness the Maharaja be requested to further grant a seat for this Sangha in the Agricultural and Industrial & Commerce Board of the Economic Development Boards, as the Kurubar Comminity is carrying the most important industry of the State, viz., Blanket weaving and sheep farming, by which it contributes to the State twice a sum nearly a Crore of rupees per year.

3. Resolved that the Government of His Highness the Maharaja be also requested to reserve 20 seats in the Representative Assembly and one seat at the Legislative Council for the Kurubar Community as reserved for other communities, as there is no scope for the community by general election owing to backwardness and other factors, in view of the large number of population to be represented, viz., more than four lakhs.

Hoping that our prayers will be granted by the Government of His Highness the Maharaja of Mysore, and for which act of kindness the Community will ever remain grateful,

I have the honour to be,
Sir,
Your most obedient servant,

President,
Executive Council.
